Re: **FAA Guidelines of Residential Use at the Ravalli County Airport**

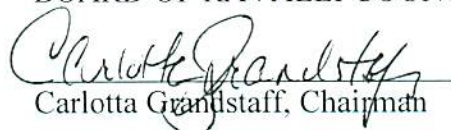

Residential use of a federally funded airport violates our grant assurance with the F.A.A. According to the F.A.A., violations of the grant assurance will jeopardize federal funding that our Ravalli County Airport receives.

Any residential use of hangar leases at Ravalli County Airport will be immediate grounds for lease termination.

If you have questions or concerns about your lease compliancy, please contact Airport Manager Page Gough at 375-9149 or our Administrative Assistant Glenda Wiles at 375-6500.
